

2022 FEDERAL ELECTION SCORECARD

How do candidates and parties stack up to deliver on our platform for Western Queensland?

INVEST IN THE WEST
IT PAYS DIVIDENDS!

In the lead up to the 2022 Federal Election, the Western Queensland Alliance of Councils sought commitment from parties and candidates contesting this election to support our Election Platform – addressing challenges as well as building on existing opportunities across Western Queensland.

We asked for responses by 6 May 2022, and our scorecard is based on the responses we received directly related to the Election Platform at that date and are published below.

KENNEDY

STRATEGIC PRIORITY	LNP	ALP	KAP	GREENS	UAP
1 DOING MORE FOR QUEENSLAND AND AUSTRALIA <i>A Western Queensland productivity partnership, industry and infrastructure investment, and innovation.</i>					
2 MOVE TO MORE IN WESTERN QUEENSLAND <i>Re-invigorating regionalisation and supporting regional housing solutions.</i>					
3 GROWING MORE FOR YOU <i>Reducing green and red tape, caring for the environment, and providing safe & secure water supplies.</i>					
4 TRANSPORTING MORE FOR YOU <i>Investing in our regional roads and rail.</i>					
5 CONNECTING TO YOU <i>Backing our digital connectivity blueprint and supporting digital by default.</i>					
OVERALL SCORE					

Commitment to platform priority Related policies and programs Broad statement of support No response

MARANAO

STRATEGIC PRIORITY	LNP	ALP	GREENS	UAP	ONP
1 DOING MORE FOR QUEENSLAND AND AUSTRALIA <i>A Western Queensland productivity partnership, industry and infrastructure investment, and innovation.</i>					
2 MOVE TO MORE IN WESTERN QUEENSLAND <i>Re-invigorating regionalisation and supporting regional housing solutions.</i>					
3 GROWING MORE FOR YOU <i>Reducing green and red tape, caring for the environment, and providing safe & secure water supplies.</i>					
4 TRANSPORTING MORE FOR YOU <i>Investing in our regional roads and rail.</i>					
5 CONNECTING TO YOU <i>Backing our digital connectivity blueprint and supporting digital by default.</i>
